

****IMPORTANT CATSPA UPDATE re CALIFORNIA REGIONAL STAY-AT-HOME ORDER****

In light of the recent **California Regional Stay at Home Order (CRSHO)** announced December 3, 2020, many of our guests with upcoming reservations at **Catalina Spa and RV Resort** are no doubt wondering what to do! So, we thought it might be helpful to provide additional information and hopefully offer useful clarifications for people who are still unsure whether to go ahead with their plans or not.

To start with, most of California Counties are currently under CRSHO. In Southern California, all counties are under CRSHO, including Riverside County where we are located.

BUT HERE'S SOMETHING ELSE TO KEEP IN MIND... The California Department of Public Health (DCPH) has determined that RV parks such as our Resort are part of the critical infrastructure and can remain open to residents—long-term rentals of 14 days or more, full time RVers' seeking shelter and anyone traveling for essential services or business.

If you are part of any of these group categories, please know that **we are open for you** and can assign sites that are spacious and safely 'social distanced' from your RV neighbor. While most activities are on hold, **our two mineral hot springs pools are open**. Our **6 pickleball courts are open** where you can play *using your own equipment*. Most nearby trailheads, including those at *Joshua Tree National Park*, are open. **However limited, there are definitely safe, healthy outdoor things to do for your family 'bubble' to take part in when you are a guest at CatSpa!**

If you are coming from out-of-state, you are required to quarantine for 14 days, per **California-Oregon-Washington States' recent Travel Advisory announcement**. Here too, **CatSpa can help!** During your confinement period, our staff can provide you with a list of retailers that do home deliveries or offer safe curbside pick-up service as well as deliver online Amazon-type orders right to your rig. You'll get through your 2-week confinement in no time!

Also useful to keep in mind: **Californians** may leave their homes for essential purposes, including but not limited to:

- Essential work or for traveling to/from essential work
- Needing to self-isolate or quarantine
- Unable to stay in own home due to COVID-related issues
- Traveling to care for a vulnerable person
- Domestic services such as shopping, laundry, or fuel
- For essential outdoor recreation close to home base
- Seeking government services such as post office, courthouse, DMV
- Full time RVer moving from Point A to B or returning home

Should you RV travels fall in any of the abovementioned categories, **please know that you & your family are welcome at CatSpa**. Local orders are being updated continuously to clarify/expand on the statewide order. Please contact your county to confirm that you are complying with the most current version of your local order. At the end of the day, the decision to travel or not is of course entirely yours.
